Geetanjali Music Group - Entertaining with Bollywood Music since 1997

Geetanjali was founded in Huntsville, Alabama, USA by **Dr. Amit Chakrabarty** in August 1997. The group presents live musical shows extensively around USA and it has also performed in several shows abroad. They perform mainly old and new Hindi film songs but their repertoire includes Punjabi, Urdu, Bengali, Oriya, English and a small splattering of Telegu, Tamil and Gujarati. We perform with track or live orchestra.

The live performances are high-octane, with a full orchestra of stellar musicians who have previously played for Bollywood music directors. With Geetanjali Live, we can accommodate a gamut of song requests and add our own spin to every song that we perform.

We are the only musical group in the USA to our knowledge that offers a bouquet of:

- Live Musical performances with Karaoke tracks or with live ex-Bollywood musicians
- A range of songs from Bollywood to Hollywood, Ghazals, sufi, bhangda, non stop medleys and much more
- Stand up comedy and Mimicry
- Sher - o - Shayari
- Parodies
- Antakshari Program with audio and video clips which is always a crowd favorite
- Back up dancers

We provide the complete entertainment package for any event. We have performed in over 400 shows around the United States and India and we perform everything from the timeless gems of the yesteryear to the contemporary chartbusters.
